

# SHIMMER-n-SHINE™

Vehicle/Fleet Wash and Wax

## Features:

- ✓ **NO MORE** dull, faded or bleached out vehicle finishes in your fleet!
- ✓ **REJUVENATES** the dull, faded finishes of older vehicles in your fleet!
- ✓ **PROTECTS** the “luster” and “showroom finish” of your newer vehicles!
- ✓ **DISSOLVES** tough “magnetized” road film from all the vehicles in your fleet!
- ✓ **AMAZING** for “hand washing” or “pressure washing” your vehicles!
- ✓ **GREAT** for any type of fleet: public works, fire, emergency, police, school, transit, utility, business and long or short haul trucking!
- ✓ **COPIOUS** sudsing action!
- ✓ **FREE RINSING** to reduced water spotting!

## Instructions:

### Description:

**SHIMMER-n-SHINE™** was developed to help Fleet and Equipment Managers, and Owners keep their fleet looking like new! **SHIMMER-n-SHINE™** uses the latest technologies to tackle the problem of dull, faded or bleached out vehicle finishes caused by ordinary soaps or cleaning compounds. So put on your sunglasses, because when you use new **SHIMMER-n-SHINE™** on your fleet of cars, trucks or off road vehicles, they will sparkle like they were just waxed. You get all this without the time consuming labor of waxing your fleet! **SHIMMER-n-SHINE™** gives you the ability to create a positive impression of your organization as your vehicles travel down the road!

### Uses:

**SHIMMER-n-SHINE™** is safe for all finishes, so it can be used on all fleet vehicles and equipment. No wash bay should be without **SHIMMER-n-SHINE™!**

### Application Methods:

**SHIMMER-n-SHINE™** may be used through your pressure washer, RHOMAR's Public Works Applicator or mixed in a bucket for hand washing. No matter how you use **SHIMMER-n-SHINE™**, your entire fleet will have that just waxed look!

### Automated Application:

**SHIMMER-n-SHINE™** is designed to be used through your hot or cold pressure washers at a dilution rate of approximately 20 to 1. The surfactant package in **SHIMMER-n-SHINE™** allows it to flow through equipment without contributing to scaling or plugging. Just apply **SHIMMER-n-SHINE™** with the soap setting then switch to a clear water rinse.

### Manual Application:

When you chose manual washing, mix 8 to 16 ounces of **SHIMMER-n-SHINE™** per gallon of water. Always rinse off heavy buildup, such as mud, prior to manual washing to eliminate possible scratching.

**CAUTION: KEEP OUT OF REACH OF CHILDREN.**

The recommendations and statements contained herein for use of our products are based on reliable tests, but are not construed as guarantee or warranty either expressed or implied. RHOMAR Industries, Inc. will not be held liable under any circumstances or conditions either expressed or implied damage in excess of the purchase price of product.
