

RHOMA-SOL™

Bituminous Road Oil and Asphalt Emulsifier

New!!

New Solution Melts Away Tough Asphalt or Road Oil on Contact!

NO DIESEL FUEL!

RHOMA-SOL™ cleans up your paving equipment, even if you use SUPERPAVE mixes!

RHOMA-SOL™ cleans up your chip-seal, slurry-seal or seal coating equipment!

RHOMA-SOL™ cleans up your patching equipment!

When State DPW's, City Street Departments, County Highway Departments and Asphalt Contractors want to do some "serious" asphalt and road oil clean-up on their equipment, they turn to **RHOMA-SOL™**.

New **RHOMA-SOL™** from **RHOMAR Industries, Inc.** is proven on paving and oiling jobsites all across the nation. It's no mystery why folks that try **RHOMA-SOL™**, always demand **RHOMA-SOL™**.

Try new **RHOMA-SOL™** today and see the following benefits in your operation:

- ✓ **MELTS AWAY** - asphalt and bituminous road oils used in paving, road oiling, chip-seal, slurry-seal or seal coating operations!
- ✓ **SATISFIED USERS** - 77% of new **RHOMA-SOL™** users come by referrals of existing satisfied customers!
- ✓ **VERSATILE ON EQUIPMENT** - melts away asphalt and road oil from your expensive vehicles, oil distributors, compactors, paving machines, cones, barrels, barricades, striping equipment and concrete curbing!
- ✓ **ENVIRONMENTALLY SAFE** - 100% biodegradable and it really works fast!
- ✓ **REMARKABLE** - at keeping asphalt from sticking to your shovels, lutes, rakes and tools!
- ✓ **NO OBNOXIOUS ODORS** - like those you get from terpenes, soys or solvents!
- ✓ **EASE OF APPLICATION** - Public Works Applicators, with parts availability, have become an industry standard with DPW's, state DOT's and contractors nationwide!

If you pave, chip-seal, slurry-seal or seal coat, and it's time for some serious cleanup, then turn to **RHOMA-SOL™** to quickly melt away all of your asphalt and road oil messes!

Frequently Asked Questions About New RHOMA-SOL™!

Just spray a light coating of **RHOMA-SOL™** onto shovels, rakes or tools to prevent sticking, reducing frustration and increasing productivity!

Will **RHOMA-SOL™** remove cured asphalt?

Yes, **RHOMA-SOL™** will quickly dissolve all cured asphalt and road oils whether they have been cured a day or a year.

How does **RHOMA-SOL™** work?

RHOMA-SOL™ works by breaking down the glue molecule that makes road oil so sticky, causing it adhere to the aggregate or any surface it comes in contact with.

Will **RHOMA-SOL™** work on SUPERPAVE or polymer modifieds?

Yes, **RHOMA-SOL™** will dissolve your super sticky polymer modifieds and all your HMA mixes.

Does **RHOMA-SOL™** work better than diesel fuel and is it safe?

Yes, **RHOMA-SOL™** is more aggressive than diesel and much safer for your equipment and the environment. **RHOMA-SOL™** is 100% biodegradable.

What is unique about **RHOMA-SOL™**?

The polymer additive does four unique things for you:

1. Keeps **RHOMA-SOL™** from evaporating which reduces reapplication during hot weather.
2. Allows you to use it to remove road oil spills and splatters from most vehicles without degrading the paint, (however, always first apply to an inconspicuous area of paint to prove safety to finish).
3. You can rinse the dissolved deposits away without leaving a sticky film on the surface.
4. It's tremendous at preventing sticking and buildup of asphalt on your rakes, shovels or tools.

How do I apply **RHOMA-SOL™**?

Rhomar developed the **Public Works Applicator** for larger areas of application or you may apply from a trigger sprayer supplied with the handy 18 oz. can.

Who uses **RHOMA-SOL™**?

RHOMA-SOL™ is used by over 30 DOT's and hundreds of municipalities, counties and contractors nationwide!

Where do I use **RHOMA-SOL™**?

RHOMA-SOL™ is the product of choice for safety and performance to clean your pavers, oil distributors, vehicles, loaders, compactors, tools, concrete curbing, asphalt plants, lab equipment and all other related equipment.

Allied Areas of Use:

RHOMA-SOL™ is remarkable at removing oil from garage bay floors, tile adhesive when replacing tile floors, asphalt deposits from shoes and clothing and black rubber marks from concrete floors.

Even messy asphalt distributors are no match for the power of new **RHOMA-SOL™**!

RHOMA-SOL™ and the **Public Works Applicator** make asphalt and road oil cleanup a breeze!
