

# BAC-ATTACK®

## Urine Odor Encapsulant

**DESCRIPTION:** BAC-ATTACK® is a revolutionary new URINE odor eradicator and not simply a cleaning product or enzyme, as are less expensive products designed for general use. BAC-ATTACK® is specially formulated for one thing, the control of URINE odor! The secret to BAC-ATTACK® is its ability to migrate into the surface pores and actually follow decomposing URINE, encapsulating the microscopic deposits and destroying the URINE odor it emits. With BAC-ATTACK® your facilities and restrooms will smell as sparkling fresh and clean as they look.

**USES:** BAC-ATTACK® was developed specifically to eradicate severe URINE odor problems in nursing homes and health care facilities that many times deal with incontinent patients. Now, BAC-ATTACK® is eradicating URINE odor with remarkable results in; Schools, VA Hospitals, Psych Hospitals, Day Cares, Truck Stops, Highway Rest Stops, Amusement Parks, Department Stores, Stadiums, Manufacturing Plants and Public Restrooms. BAC-ATTACK® is environmentally friendly and 100% biodegradable.

**PREPARATION:** Always apply BAC-ATTACK® after your normal cleaning takes place. BAC-ATTACK® does not dry sticky or tacky and will not tarnish or yellow waxes.

**METHOD OF APPLICATION:** Applying BAC-ATTACK® is quick and easy with RHOMAR'S easy fill Rugged Big Mouth Poly Applicator. The 3-gallon Big Mouth applicator, with its unique T-jet nozzle, give you proper application with no waste of product. For smaller areas use the handy quart bottles to apply BAC-ATTACK®.

**APPLICATION OF BAC-ATTACK®:** Please remember you cannot see the microscopic URINE odor. With this in mind, simply apply BAC-ATTACK® thoroughly onto the soiled area, paying attention to the following areas; all tile, walls and grout around the entire urinal and toilet, including the urinal and toilet themselves, baseboards, surrounding flooring and entry hallways. BAC-ATTACK® is also safe for use on carpets and pads, rugs, upholstered furniture, wheel chairs, vans, laundry hampers, clothing, bedding, showers, mops and much more.

- **DESTROYS - Decomposing URINE that emits "gaseous odors"!**
