

SHIMMER-n-SHINE™

REFLECTIVE FLEET WASH AND WAX

DESCRIPTION: SHIMMER-n-SHINE™ was developed for Emergency, Public Works and Transit fleets to keep their vehicles looking like new. SHIMMER-n-SHINE™ uses the latest technologies to tackle the problem of dull, faded or bleached out vehicle finishes which reduces the optical reflectivity needed by emergency and public works fleet vehicles. So put on your sunglasses, because when you use new SHIMMER-n-SHINE™ on your fleet vehicles, they will sparkle like they were just waxed. You get all this without the time consuming labor of waxing your fleet. SHIMMER-n-SHINE™ gives you the ability to create a positive impression of your organization as your vehicles travel down the road.

USES: SHIMMER-n-SHINE™ is safe for all finishes, so it can be used on all emergency and public works fleet vehicles. No wash bay should be without SHIMMER-n-SHINE™. Simply wash your vehicle and chamois (shammy) dry to a reflective luster.

METHOD OF APPLICATION: SHIMMER-n-SHINE™ may be used through your pressure washer, RHOMAR's 3-gallon Public Works Applicator or mixed in a bucket for hand washing. No matter how you use SHIMMER-n-SHINE™, your entire fleet will have that just waxed look.

AUTOMATED APPLICATION: SHIMMER-n-SHINE™ is designed to be used through your hot or cold pressure washers at a dilution rate of approximately 20 to 1. The surfactant package in SHIMMER-n-SHINE™ allows it to flow through equipment without contributing to scaling or plugging. Just apply SHIMMER-n-SHINE™ with the soap setting then switch to a clear water rinse.

- **ENHANCES OPTICAL REFLECTIVITY**
On Emergency, Public Works & Transit fleets!
- **DISSOLVES - Magnetized road film from all fleet vehicles!**
- **REJUVENATES - Dull, faded finishes of older vehicles!**
- **PROTECTS - The luster of the original new vehicle look!**
- **INHIBITS - Rust & Corrosion on Public Works, Fire & Bus fleets!**

Sold Exclusively By:
RHOMAR Industries Inc
2107 E Rockhurst St
Springfield MO 65802 USA

NET CONTENTS: 6 Gallons

MANUAL APPLICATION: When you chose manual washing, mix 8 to 16 ounces of SHIMMER-n-SHINE™ per gallon of water. Always rinse off heavy buildup, such as mud, prior to manual washing to eliminate possible scratching.

WARNING
KEEP OUT OF REACH OF CHILDREN
